

The reply filed on 6/16/08 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The election of species requirement of 9/1/05 stated that applicant must state which of any subsequently added claims read on the elected species. Applicant in the reply filed on 6/16/08 added new claims 76-80 and failed to state which claims read on the elected species. Further, since applicant has extensively amended independent claims 58 and 65 with new limitations such that these claims are effectively new claims, applicant must state whether claims 58 and 65 continue to read on the elected species of Figure 16. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
